

Hide and chic

Butter-soft or razor-sharp – go hell for leather in the season's strongest look

Herd instinct: Angelina (left) goes strapless in Michael Kors, while Alexa Chung (right) accessorises her vintage jacket with her own Alexa Mulberry bag

Clothes encounters of the herd kind (from top, centre): Claudia Schiffer is top of the crops in her leather jacket, Kate Moss teams Les Chiffonniers trousers with her Alexander McQueen jacket, while Miranda Kerr looks tan-tastic in a Kirrily Johnston skirt
